BEFORE YOU PICK

Every hallway at Hutchinson High belongs to somebody. Choose one crowd and it becomes your background. Your crowd gives you:

- **Two skills** you are known for
- **A perk** only your crowd can offer
- **Baggage** that comes with the territory
- **An enemy** who will not let you forget it

STANDING

Three numbers shape how your year goes. You get **6 points** to spread across them, and none can go above 4.

- **Grades:** F 0, D 1, C 2, B 3, A 4
- **Family Finances:** Lower 0, Middle 2, Upper 4
- **Popularity:** Invisible 0, Overlooked 1, Known 2, Liked 3, Popular 4

FRIENDS AND FOES

Every +1 standing you earn with a crowd is a -1 with its enemy. Pick your friends carefully, because the hallway keeps score.

WHO CAN'T STAND WHO

Jocks vs Theater
The gym and the auditorium fight over the same calendar.

Goths vs Popular Kids
Each side thinks the other is fake.

Valedictorians vs Burnouts
One chases top rank. The other keeps the front office busy.

Band vs Student Council
The band always loses the budget fight.

Ag / FFA vs Robotics
Shop space, lab space, and who represents the town.

Hall Monitors vs Burnouts
The rules they keep and the rules that get broken.

A WORD ABOUT ADULTS

Teachers, coaches, and the folks around town size you up too. Some crowds earn the benefit of the doubt. Others get watched closely.
