Weekly Academic Check

Hutchinson High School · Fall 2004 · House Rules

Once a week, each player rolls **Intelligence (Academics) vs DC 12**.

Modifiers

- **Valedictorian:** advantage.
- **Burnout:** disadvantage.
- **Study:** each evening spent studying gives +1. Spend as many evenings as you want, but those evenings are gone for everything else.
- **Cheat:** each study guide stolen from a teacher lowers the DC by 2. Stealing one takes a Stealth check. Get caught and you land in detention.

Grade Scale

Result vs DC	Grade	Effect
Beat by 10+	A	Honor roll. Gain Inspiration.
Beat by 5–9	B	Good standing.
Meet DC to beat by 4	C	Nothing happens.
Miss by 1–4	D	Slipping. -1 on the next check.
Miss by 5+	F	Ineligible for sports and clubs until a makeup check is passed.

Makeup Check

- A player who gets an F can retake the check in one Saturday morning scene.
- It uses the same bonuses as that week: evenings studied, study guides, and Valedictorian or Burnout status.
- The DC is higher, at **DC 15**.
- The new roll replaces that week's grade. A pass erases the F and clears ineligibility.

Graduation

- Collect **10 F's** over the campaign and you will not graduate.
- An F replaced by a makeup check does not count toward the 10.
